Hadoop Top Level Project Mailing Lists

Table of contents

1 General	2
2 Security	

1. General

The general mailing list is for discussion of Hadoop-related issues that are not specific to a Hadoop sub-project. All Hadoop releases are announced on this list.

Note:

This mailing list is **NOT** for end-user questions and discussion. Please use a more-specific subproject's -user mailing list for such issues.

The Hadoop general mailing list is: general@hadoop.apache.org.

- Subscribe to List
- Unsubscribe from List

In order to post to the list, it is necessary to first subscribe to it.

2. Security

The security mailing list is a private list for discussion of potential security vunerability issues. Please post potential security vunerabilities to this list so that they may be investigated and fixed before the vunerability is published.

Note:

This mailing list is **NOT** for end-user questions and discussion on security. Please use a more-specific subproject's -user mailing list for such issues.

The Hadoop security mailing list is: security@hadoop.apache.org.

In order to post to the list, it is **NOT** necessary to first subscribe to it.
